

DIVISION OF EDUCATION, RESEARCH & TECHNOLOGY

January 24th, 2024

FOR IMMEDIATE RELEASE

SCHOOL MEALS DURING CARNIVAL PERIOD

In our continuous effort to make the most of the contact hours required for the successful delivery of the curriculum, the **Division of Education, Research and Technology (DERTech)** strongly encourages all parents to prioritise the attendance of their children at their respective schools during this short term.

Accordingly, DERTech wishes to remind all stakeholders that Friday 9th and Wednesday 14th February, 2024 are regular school days and as such, school meals will be provided as per usual.

We appreciate your dedication to your child's education, and we are confident that together, we can ensure a positive, balanced, and enriching learning environment where no child is left behind.
